

### London : the world in one city

London is a very cosmopolitan city . There are people from nearly every nation , culture and religion in the world . In fact , thirty per cent of London’s population, 7.5 million, come from outside Britain. That’s about two million people from 179 different countries . Jacek and Ogechi are two of those people.

#### Jacek

My parents are from Poland and we live in London . My sister Ania and I go to a school with students from twenty-five different countries .There are classes here in French , German , Spanish and Mandarin and I do French . My sister studies Mandarin, with Mrs Li Wei . Mrs Li Wei is a new teacher from Beijing . She doesn’t speak English fluently and my sister sometimes helps her with new words.

#### Ogechi

I live in a part of London where there are families of a lot of different nationalities . In my street , there are Polish and Chinese shops and an Indian restaurant . My family is from Nigeria in west Africa. My best friend Leyla is from a Turkish family , but they don’t speak Turkish at home. We often play music at her house . I like Turkish music because it’s different from our music.
