My name's Margaret Beech. I'm 35 years old. I'm a journalist and I live in Paris, France. I get up at six, and go to work at about half past six. I have breakfast in a café near my office, and start work at half past seven. I don't have a big lunch, just a sandwich and a coffee. I usually finish work at six o'clock. I go home at seven, and then I have dinner with my husband - he loves cooking! After dinner I usually watch TV. I go to bed early, at about nine o'clock, and sleep for about eight or nine hours.
