Second Term Test -2

Class: 2/.....

Time: 45mn 29/04/2011

Name:

My Aunt Nancy was born in England, but now she lives in Perth, Australia. She went to Australia in 1985 when her husband, my Uncle Jack, died.

She is 80 years old now, but she still works. She is an artist. She paints pictures of cats for birthday cards. She likes cats-she has twenty-five!

She stared painting in 1986. At first she painted just for a hobby, but then in 1989 she began making and selling birthday cards. A lot of people liked them and bought them.

She usually starts work at 7.00 in the morning and finishes at 5.00 in the evening. Then she goes swimming.

Last year I visited Australia and I stayed with her for two weeks. I had a very good holiday
