

## COMPREHENSION

My name is Susan. I am twelve years old. I am British and I live with my mother, my father and my brother, James, in a flat in London. The day starts at about 6 o'clock, when dad and mum get up. We usually have breakfast at 7 o'clock. I like to eat cereal with milk and a toast. After breakfast, my brother and I brush our teeth. We all leave the house by 7.30. Dad goes to work. He is a doctor. Mum, my brother and I walk to school then my mother takes the bus to her work place. She is a shop assistant. I always have lunch in the canteen.

Mum picks me up from school at 5.30 in the afternoon. We sometimes go to the shops before I do my homework. Dad usually gets home about 8.30 and we all have dinner together. My favourite meal is fish with salad.

In the evenings, I sometimes watch TV or chat with my friends on my computer. I go to the ballet on Wednesdays and my brother plays football in the club on Tuesdays. At weekends, I play on my computer and I usually go out with my friends.
