Hi! My name is Fiona. I live in Scotland. This is my house. We live in a small village in the country. I like living in the country, but sometimes it's boring because it's quieter than a city. I live a long way from friends and there aren't many shops or cafés, and there isn't a cinema.

My cousin, Alex, lives in Edinburgh. I like visiting Alex, because Edinburgh is more exciting than my village. It's much bigger of course, and there are more interesting things to do there. There are a lot of shops, cinemas and cafés. There are also a lot of buses, so it's easier to meet friends. I love the shops and cinemas, but I like meeting friends in cafés the most. Cafés are nice because you can sit and talk. Edinburgh is a beautiful city. I think it's the most beautiful city in Scotland, but I like my home too. It's more boring than the city, but my village is cleaner and quieter, and the people are friendlier.
