Natalya

www.9alami.com

I live in St Petersburg in the west of Russia. I'm 15 and I live with my parents and brother in a small flat.

On weekdays, I get up at 7.30 in the morning. I usually wear jeans with a sweetshirt or pullover, and trainers. I walk to school – it's very near my home and we don't have a car. School starts at 8.30am and ends at 2pm. We have six 45-minute lessons a day with a 20-minute break. I study maths, science, history, art, Russian, English and French – my favourite subject are English and French. I like school, and I have lots of friends there.

After school I go home for dinner. We usually have soup, and we often have blinis – pancakes – with fish and sour cream, they are my favourite food. I do my homework in the evening and I usually go to bed at 11 pm.

In my free time, I go to the movies, visit friends, and go rollerblading. I play tennis in the summer and go skating in the winter. Our summer holiday is in July and August, and we go to the black sea.
