A Visit to Melbourne

Janet and I are now in Melbourne, Australia. We are with two old friends from university, Rick and Tanya, and it's good to see them again. Melbourne is really a nice city because it isn't very big, and the people are very friendly. There are some beautiful parks and lots of shops and cinemas but there aren't any interesting markets. We are in a calm neighbourhood, called Parry, on the edge of the city. There is everything near our hotel. There are a big sports centre and small shops but there isn't any supermarket.

The food in Melbourne is very delicious. There are lots of types of restaurants here – Chinese, Italian, Vietnamese ...– the food isn't expensive. The weather is beautiful and I'm very happy here.
