III. WRITING (10 POINTS)

Write a reply to the following email that you've received from your English friend.

Dear friend,

How are you doing? I hope you are fine. I just want to tell you that I'm having some problems with my parents; they don't let me go out at night, or invite my friends. They're always complaining about my hairstyle, the way I dress or the kind of music I listen to. They're making my life terrible! What about you? Do you have any problems with your parents? How do they treat you? Tell me about your relationship with them.

Dear Chelsea

I am upset to know that you are having a hard time with your parents. I kind of have the same situation with mine. I sometimes feel completely censored and unable to express myself as they keep saying that I should sit and listen while they often seem to forget they both have been my age and wouldn't have wanted to get the same treatment. As for my hair and way of dressing they never seem to approve of it like either, and this generation shock becomes annoying most of the time. However, my friend, we must not forget that they are our parents and all they wish for is our well-being and our happiness and we should be thankful for that. Nevertheless, I hope you are physically doing fine and that your studies are going great. As for me, I'm doing just great. Write me soon.

Yours xx
